

EXP560V

Men's Insulated Canvas Workwear Vest

The EXP560V is a classic workwear vest... Built to last with a Rugged 360gsm 100% Cotton Canvas shell with Hyper-Loft quilted insulation, & Heavy Duty Brass Snaps. This vest has a tear away label, locker patch in the center back neck for neck labels. It also has a 23" wide hidden zipper that provides print & embroidery access to the inside of the garment. This hidden access enables you to print multi colors with no registration problems, and hide the embroidery backing between the shell and quilted interior.
